

Skip Count by x2

Start at the given number and skip count to the star.

Name: _____

Date: _____

The image shows six rocket ships arranged in a row. Each rocket has a star at the top containing a starting number and a tail section containing a target number. The rockets are designed for a skip counting activity by 2. The starting numbers are 32, 56, 20, 96, 40, and 52. The target numbers are 24, 40, 10, 80, 28, and 36. The rockets are divided into sections for writing the numbers in the sequence.

Star (Start)	Target
32	24
56	40
20	10
96	80
40	28
52	36
