Abby was excited for the day!  
She was going to pick apples at  
her Grandpa Ben's farm.

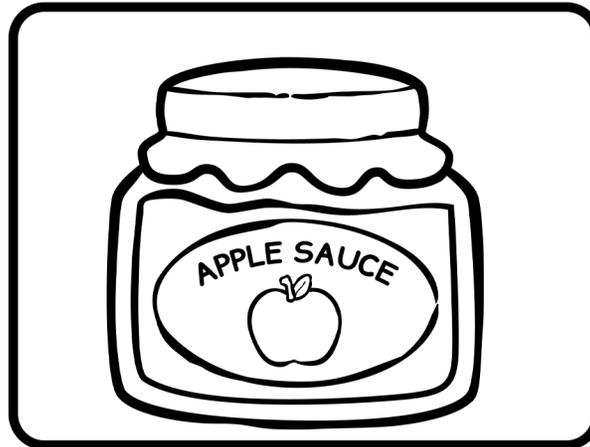

When she got to the farm, she  
found an apple tree and filled  
up her basket.

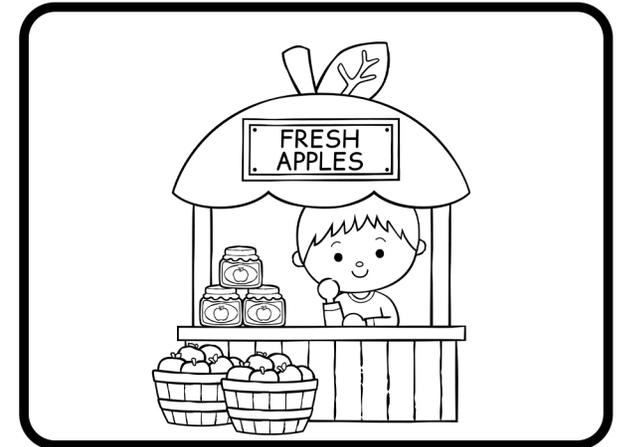

But then she saw more apple  
trees! She decided she would  
need a wagon to get more.

Abby filled up her wagon. She  
took all of her apples to her  
Grandpa Ben.

Grandpa Ben helped Abby turn  
all of her apples into applesauce.

She then set up a stand to  
sell the delicious applesauce to  
her neighbors and friends.
