

# ELAPSED TIME

## WITH ANALOG AND DIGITAL CLOCKS

Elapsed time is the amount of time that passes between two events.

Cam has two football games on Saturday. One starts at 2:30 and the other starts at 6:00. How much time is in between the games?

**ELAPSED TIME :**  
3 hours 30 minutes

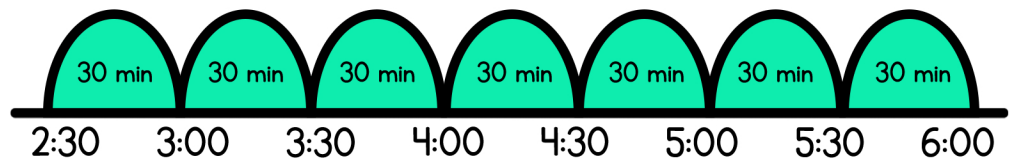

T-Chart

time	hours and minutes
2:30	start +
3:00	half hour
3:30	half hour
4:00	half hour
4:30	half hour
5:00	half hour
5:30	half hour
6:00	half hour

add these together =  
elapsed time
