

Explain what being "healthy" means.

5th grade is going to be amazing because...

This year my teacher should know...

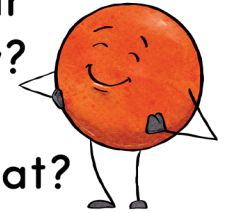

What do you need to do to be ready to learn?

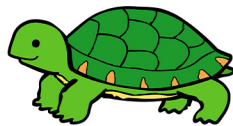

What kinds of activities do you do after school?

What is your best quality? Why did you choose that?

What is a form of art that most people don't think about?

Write a silly story about a turtle and a skunk who become best friends.

Explain what a principal does during the school day.

What is the most important thing in your classroom? Why did you choose that?

Do you think schools should have indoor playgrounds? Why or why not?

Would you rather be stuck outside in a thunderstorm or a blizzard? Why?

Are bus drivers important to a school? Why or why not?

Explain why farmers are important to the rest of the world.

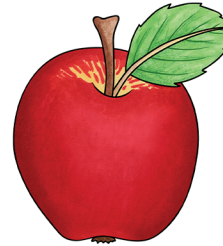

If you could make a new school rule, what would it be and why?

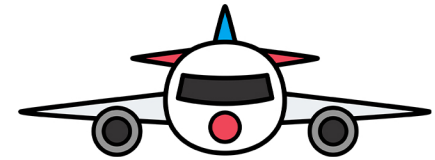

Something I wish my teacher knew is...

The best fruit ever is...

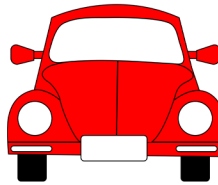

Would it be fun to fly? Why or why not?

Explain why brushing your teeth is important.

What is recycling? Why is it important?
