

How are pancakes and waffles different?

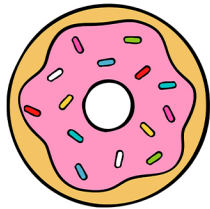

Teachers and students are different because...

Explain how a lamb and a foal are similar.

Doughnuts and cookies are similar because...

Indoor and outdoor playgrounds have what similarities and what differences?

Describe the differences in feeling mad and feeling sad.

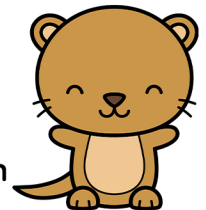

Compare the feeling of a September breeze with the warmth of a cozy sweater.

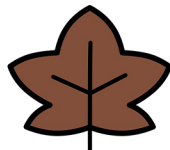

Compare the taste of a crisp September apple with the sweetness of a piece of pumpkin pie.

Compare the excitement of starting a new school year in September with the anticipation of opening a present on your birthday.

Contrast the colors of leaves in September with the colors of a rainbow after a storm.

Contrast the sound of rain tapping on the window in September with the chirping of crickets on a cool evening.

Contrast the smell of freshly sharpened pencils in September with the scent of a bouquet of freshly picked flowers.
