

What do you think would happen if we didn't take care of our planet?

If we could only recycle our trash, what might happen?

The worst April Fool's Day prank would be...

Write a poem about what you have learned this school year.

Write a silly story about a garden that only grows weird things.

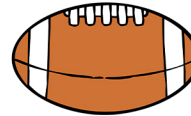

Describe the differences between a zebra and a giraffe.

Write a silly story about a panda bear that can sing.

Write a creative story about a losing football team.

Write a story about how the Easter Bunny became the Easter Bunny.

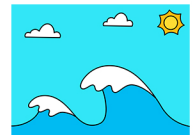

Describe what your family eats for Easter Dinner.

Imagine one day you woke up and realized you were a snake. What would be the hardest part of being a snake?

Write a story about a time you were swimming at the beach.

Write a letter that persuades your best friend to read your favorite book.

Do you think school should be 5 days a week? Why or why not?

What type of animal would be the best class pet? Why?

Would you rather be stuck inside a raindrop or a snowflake? Why?

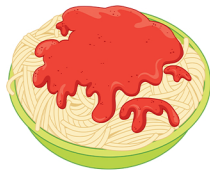

Describe the similarities and differences between teachers and principals.

If you could make up a new holiday, what would it be and why?

Write a silly story about spaghetti.

If you were a rabbit, what would be the best and worst part? Why?

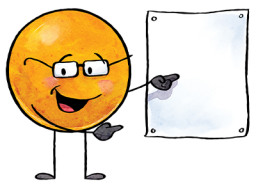

Write a story using these words:

build  
water  
land  
Godzilla

Write a story using these words:

learn  
classroom  
grade  
dragon

Write a story using these words:

Easter  
basket  
candy  
silly string

Write a story using these words:

nut  
nest  
jump  
skyscraper
