Choose a color for each type of fact below. Read the passage and highlight key facts as you go.

**cats****both****dogs**

Cats and dogs are both popular pets that people love. They both have four legs and furry bodies. Cats and dogs can be different colors and sizes. Both animals can be trained to do tricks. Cats like to meow, but dogs like to bark. Dogs often wag their tails when happy, while cats purr. Cats use a litter box inside, but dogs usually go potty outside. Dogs need to go on walks, while cats can exercise indoors.
