

## A LETTER FROM Lucky the Leprechaun

Dear Clever Kids,

Top o' the mornin' to ya! I saw your sneaky trap with the shiny coins and the bright, colorful rainbow—what a clever idea! I was almost caught when I peeked inside.

But lucky for me, I'm a leprechaun who's quick on his feet! I tiptoed around the box and gave it a little poke. When the lid started to move, I jumped up high and did a little twirl, escaping just in time!

Nice try, me friends! Maybe next year you'll be clever enough to catch me. Until then, keep smiling, keep creating, and keep believing in magic!

From,  
**YOUR LUCKY LEPRECHAUN**
