

Shining bright in the night sky
Twinkling like a diamond high
Amazing light that guides our way
Reaching dreams so far away

Cuddly and soft
Always purring
Tricky and playful

Hop and skip along the way
Always smile each and every day
Play with friends out in the sun
Pick flowers that are so fun
Yell hooray, it's time for fun!

Shining brightly in the sky
Up above the clouds so high
Never fails to warm our day
