

POETRY FOR KIDS

HAIKU

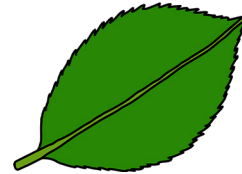

A haiku is a Japanese poem with three lines. The first line has 5 syllables, the second line has 7 syllables, and the third has 5 syllables.

1. Fluffy white snowflakes

Dancing down from gray-blue skies

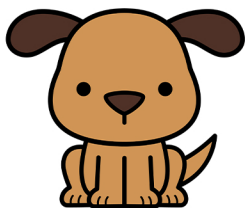

Cold upon my nose

2. Green leaves on the trees

Moving in the summer breeze

Shade on sunny days

3. Little puppy plays

Chasing after bouncy balls

Wagging happy tail

4. Stars shine in the night

Like tiny dots of white light

Guiding us to sleep
