

I am a little kid
I wonder about the stars
I hear birds singing
I see pretty rainbows
I want a puppy
I feel happy when I play
I am a little kid

SUPERSTARWORKSHEETS

I am strong and brave
I wonder how fish swim
I hear the wind blow
I see clouds moving slow
I want to climb trees
I feel joy when I dance
I am strong and brave

SUPERSTARWORKSHEETS

I am kind to others
I wonder why snow falls
I hear my mom singing
I see bugs in the grass
I want to read books
I feel good when I share
I am kind to others

SUPERSTARWORKSHEETS

I am full of dreams
I wonder about space
I hear the rain tap
I see stars at night
I want to learn more
I feel smart when I write
I am full of dreams
