

I'm white and fluffy in the sky,  
 Sometimes I make people sigh.  
 I can bring rain and even snow,  
 What am I? Do you know?

I have teeth but cannot bite,  
 I'm used morning and night.  
 I keep your hair neat and tidy,  
 What am I? Can you decide?

I have four legs but cannot run,  
 I hold your food and weigh a ton.  
 What am I?

I have four legs but cannot walk,  
 I have a back but cannot talk.  
 You sit on me to take a rest,  
 What am I? Can you guess?
