

MAKING 10

Take turns with your partner flipping over a card. Find the number that goes with your card to make 10. Use color chips to cover the number. If it's already covered, you skip your turn. The person who covers the last square wins!

8	1	2	10	4	7	1
5	9	4	6	2	5	10
0	5	6	3	0	9	4
7	3	1	8	5	3	6
