

# MULTIPLICATION

Multiplication is repeated addition or equal groups.

product

times

double

groups of

triple

multiply

$$\begin{array}{c} 3 \\ \star \star \star \end{array} \times \begin{array}{c} 4 \\ \star \star \star \star \end{array} = 12$$

**3** times **3** equals **12**

**3** multiplied by **4** equals **12**

Helpful Tip: Division is fair sharing or repeated subtraction!
