

SUBTRACTION

Subtraction means taking away to find what's left.

minus	how many left
take away	fewer
difference	less

$$\begin{array}{ccccccc} 8 & - & 5 & = & 3 \\ \begin{array}{c} \star \star \star \star \\ \star \star \star \star \end{array} & & \begin{array}{c} \star \star \star \\ \star \star \end{array} & & \end{array}$$

8 minus 5 equals 3

8 take away 5 is 3

Helpful Tip:

Subtraction helps you find the difference.
