

ADDITION

Addition means putting numbers together to make a bigger number.

plus	total
add	sum
altogether	both
in all	combined

$$\begin{array}{ccccccc} 4 & + & 3 & = & 7 \\ \star \star \star \star & & \star \star \star & & \end{array}$$

4 plus 3 equals 7

4 and 3 is 7

Helpful Tip:
Addition makes numbers grow!
