

		job			study			pet			food			car		
		tailor	policeman	baker	art	chemistry	psychology	frog	mynah bird	snake	soup	biscuit	taco	Fiat	Mitsubishi	Tesla
Name	Penelope															
	Zoe															
	Cora															
car	Fiat															
	Mitsubishi															
	Tesla															
food	soup															
	biscuit															
	taco															
pet	frog															
	mynah bird															
	snake															
study	art															
	chemistry															
	psychology															

INSTRUCTIONS: Three people each have their own job, study, pet, food, and car! Use the clues to figure out what belongs to each person. Put an X in each box that can't be right. The boxes without an X show the answers!

CLUES

1. Cora wraps seasoned beef and lettuce in crunchy taco shells.
2. Penelope kneads dough and frosts cakes at the local bakery.
3. Zoe analyzes human behavior while studying psychology at the university.
4. Penelope experimented with exotic pets, but snakes made her uncomfortable.
5. Zoe charges her Tesla overnight in the garage before morning commutes.
6. Penelope cares for a pet frog and chose to not study chemistry.
7. Anyone driving a Tesla avoids amphibians and animals that slither as pets.
8. Whoever keeps a frog as a bird spends afternoons as a tailor.
9. Penelope prepares steaming vegetable soup for cold winter evenings.
10. Whoever is studying chemistry drives a Mitsubishi to school.
