

INSTRUCTIONS: Six kids each have a different favorite subject. Use the clues to figure out which subject is each person's favorite. Put an X in each box that can't be right. The box without an X shows the answer!

		subjects					
		math	reading	science	art	music	PE
Name	Tyler						
	Grace						
	Jake						
	Emma						
	Mia						
	Ethan						

CLUES:

1. Emma races to the gym for PE class every single day.
2. Ethan practices his songs on the piano every afternoon.
3. Mia brings chapter books to read during quiet time.
4. Jake tried painting last year, but he chose science instead.
5. Tyler mixes paints and creates watercolor art projects.
